

We are pleased to announce you that, we are able to prepare you bank credits, about 77% of your legal and official projects cost that has economic justification.

This credit should not be more than 750/000/000 EURO for each project.

In the beginning It is necessary for you to have 23% capital of all needed credit.

Then you can receive the rest of bank credit.

First you request us the needed documents by email.

This request will be survey by finance and credit experts in our finance institutions.

After written agreement , during maximum 25 working days , it will be deliver to you.

Credits time for survey is from first of February until the end of November.
